Work parties generally run from 10:00am to 3:30pm including tea break and lunch, and the meeting place is **Triangle Car Park** (by the new building on the Triangle and situated off Highgate Road) unless otherwise stated.

Snacks, tools, and any necessary protective equipment will be provided by the Trust, but you will need to bring your own lunch, sturdy boots and waterproof clothing.

Toilet facilities are now available at the new building.

**For further information regarding work parties, or if you plan to attend, please contact Jeff Sim (Highgate Warden) on 07968 373 957.**
