

**Tree-mendous!**

How many of these trees can you find in your local area?

Oak

Lime

London plane

Beech

**We** **trees**

Horse chestnut

Holly

Ash

Silver birch

Rowan

Found a tree that you're struggling to identify? Ask your grown-up to download our tree ID app. Just search for 'British trees'.

**Did you know...?**

London plane trees were planted in streets because they're resistant to pollution.

**We ♥ trees**

### Get detecting!

Be a real Nature Detective. Choose one or two trees, then answer these questions.

### How tall is the tree?

Is it as tall as a person? A lamp post? Or a building? Colour in the tree to tell us how tall it is.

### Where is the tree?

What can you see around it – houses, shops, a school...

.....  
.....

### How thick is the trunk?

You can measure the trunk in many different ways. How about using a tape measure? Or seeing how many people it takes to hug it?

Are there any other trees nearby?  
Yes/No  
How many can you see?

Does the tree have any special stories?  
Write them down!

Draw the tree

Do you know what type of tree it is?

Make a bark rubbing

**Had fun completing these activities?**  
Have a go at writing a story about your tree.
